ABOUT THE BOOK

Half the Sky takes the reader on "an odyssey through Africa and Asia to meet the extraordinary women struggling there...help[ing] us see that the key to economic progress lies in unleashing women's potential." (Random House)

Nicholas Kristof and Sheryl WuDunn's book is the 12th Campus Community Book Project sponsored by the Office of Campus Community Relations. As with previous books, *Half the Sky* will provide the campus community a catalyst for exploring ideas and issues relevant to our contemporary lives.
