About the Memorial Union:

The Memorial Union has served as the center of the UC Davis campus for more than fifty years. Funded by grants from the Regents as well as contributions from students and alumni, the Memorial Union was constructed in 1955 in memory of students and alumni who lost their lives in military service from World War I to World War II. Today, the Memorial Union continues to serve as a memorial to those who have fallen. The Golden Memory Book, which lists the 135 UC Davis students and alumni who have lost their lives in military service, is housed in Griffin Lounge and serves as a tribute to these brave Gold Star Aggies.

Thank you to those students and alumni who gave their lives to preserve our liberties and to aid millions around the world.
