Congratulations YEA Class

The Sacramento Black Chamber of Commerce Foundation's class of 2014 held their graduation luncheon on UC Davis' campus on June 26th.

Eighteen of the 20 students accepted into the program graduated. At least six of the students received certificates indicating their achievement of attending all of the classes throughout the year.

Our classes get better and better every year. These are pretty phenomenal young adults.

The entrance into the YEA program is pretty rigorous and was designed to hold the interest of the students wishing to attend in the fall and throughout the rest of the school year.

Identifying students for next year's class is well underway. If you have or know of a student in the 16-22 year old range who might be interested, have them call the Chamber Office at 916-231-0416.

Again, to our graduating students, We offer our congratulations to you. The sky has just opened up and is offering you an abundance of life like you've never seen before.

Sincerely,

Azizza Davis
Executive Director
